## Aaron Bench - Grey Wash

|            |                                                                                                                                               |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| ITEM#      | : W-178116                                                                                                                                    |
| DIMENSIONS | : 18"H X 60"W X 18"D                                                                                                                          |
| UNIT       | : EA                                                                                                                                          |
| FINISH     | : Grey Wash/Satin Nickel                                                                                                                      |
| ITEM NOTES | : Fabulous textures come together in the Aaron Bench, thanks to a selection of custom fabric and an grey wash wood frame with nickel accents. |
